THE FOLLOWING SHALL REPLACE THE WOOD DESTROYING PEST INSPECTION PARAGRAPH (4A in the California Residential Purchase Agreement (RPA-CA)) and shall supersede any conflicting terms in any previously generated agreement:

WOOD DESTROYING PESTS

A. Buyer Seller shall pay for a Pest Control Report for wood destroying pests and organisms only (“Report”). The Report shall be prepared by _____, a registered structural pest control company, who shall separate the Report into sections for evident infestation or infection (Section 1) and for conditions likely to lead to infestation or infection (Section 2). The Report shall cover the main building and attached structures and, if checked: detached garages and carports, detached decks, the following other structures on the Property: _____.

The Report shall not include roof coverings. If the Property is a unit in a condominium or other common interest subdivision, the Report shall include only the separate interest and any exclusive-use areas being transferred, and shall not include common areas. Water tests of shower pans on upper level units may not be performed unless the owners of property below the shower consent. If Buyer requests inspection of inaccessible areas, Buyer shall pay for the cost of entry, inspection and closing for those areas, unless otherwise agreed. A written Pest Control Certification shall be issued prior to Close Of Escrow, unless otherwise agreed, only if no infestation or infection is found or if required corrective work is completed.

B. (Section 1) Buyer Seller shall pay for work recommended to correct “Section 1” conditions described in the Report and the cost of inspection, entry and closing of those inaccessible areas where active infestation or infection is discovered.

(Section 2) Buyer Seller shall pay for work recommended to correct “Section 2” conditions described in the Report if requested by Buyer.

By signing below, the undersigned acknowledge that each has read, understands and has received a copy of this Addendum.
